

# **Call for submissions – Art and Drawing Competition**

SES, in partnership with GLOBAL G.L.O.W, is excited to announce OctobHER: International Month of the Girl, an entire month dedicated to bringing together girls, thought leaders, partner organizations and allies to celebrate girls and address the critical issues that continue to hinder progress towards a more gender equal world. We will also explore solutions and begin to carve a path forward in building gender equity for girls everywhere. **Under the initiative, we are inviting the youth in the communities to participate in the event by submitting their art/drawing on issues relevant to the girls' right.** The details of the participation are -

## **Art and Drawing Competition**

1- **Theme** : Health, Education, Gender discrimination, Climate change, Digital Gender Divide(**on any One of theme**)

2- **Specification**

a) **Content** :

- You have heard and read a lot about prevalence of the gender discrimination in our country and how it is affecting the education & health of the large population of the girls. An educated female population increases a country's productivity and fuels economic growth.
- You have also heard and read about climate change and how it affects the girl's right by increasing incidences of child marriage, school drop-outs, violence, malnutrition & sexual & reproductive health.
- In recent COVID-19 pandemic fuel the Digital Gender Divide in the family and the community. Do the girls have equal opportunity to access digital devices for their education?
