

# Call for Submission Video Clips

SES, in partnership with GLOBAL G.L.O.W, is excited to announce **OctobHER: *International Month of the Girl***, an entire month dedicated to bringing together girls, thought leaders, partner organizations and allies to celebrate girls and address the critical issues that continue to hinder progress towards a more gender equal world. We will also explore solutions and begin to carve a path forward in building gender equity for girls everywhere. **Under the initiative, we are inviting Civil Society Organisations, working on the issues relevant to girls' lives and their rights, to participate in the celebrations by submitting video clips of good practices and success stories of their program. The video clips should be Girls' voice for the change.**

- Tell a story about someone who inspires them, what did they learn from them and why do you think they are inspirational.
- Tell a story about something they learned in your program and how you used that skill/knowledge outside of the program?
